## Research Affiliates Seminar 2008

---

Christchurch

<b>Time</b>	4.00 pm - 6.00 pm Refreshments followed by the presentation
<b>Date</b>	Tuesday 18 November
<b>Room</b>	Wheki 302
<b>Venue</b>	University of Canterbury College of Education Dovedale Avenue Christchurch
<b>Fee</b>	Free
	<i>In their research inquiries, both Jae Major and Dr Fleur Harris have explored the realities of classroom life for children from diverse cultures. Their work addresses a range of issues related to children's identity construction and educational assessment procedures for reading-related language abilities. In this presentation Jae and Fleur will discuss some of the findings from their research with a particular focus on implications for learning and teaching.</i>

### Presenters

Jae Major and Dr Fleur Harris
